Product Name: Hemin
Catalog Number: H651-9

8. DNAzyme-Functionalized Au Nanoparticles for the Amplified Detection of DNA or Telomerase Activity, Niazov, Tamara, Pavlov, Valeri, Xiao, Yi, Gill, Ron, Willner, Itamar, Nano Letters (2004), 4(9), 1683-1687. DOI:10.1021/nl0491428

11. Reactive metamizole metabolites enhance the toxicity of hemin on the ATP pool in HL60 cells by inhibition of glycolysis, Rudin, Deborah, Schmutz, Maurice, Roos, Noemi Johanna, Bouitbir, Jamal, Krahenbuhl, Stephan, Biomedicines (2020), 8(7), 212. DOI:10.3390/biomedicines8070212

**Hazardous Properties and Cautions:** The toxicological and pharmacological properties of this compound are not fully known. For further information see the SDS on request. Hemin is manufactured, shipped according to standard practices, and intended for research and development in a laboratory utilizing prudent procedures for handling chemicals of unknown toxicity, under the supervision of persons technically qualified to evaluate potential risks and authorized to enforce appropriate health and safety measures. As with all research chemicals, precautions should be taken to avoid unnecessary exposures or risks.

**Warranty and Disclaimer:** Frontier Specialty Chemicals, Inc. warrants the product conforms to the specifications stated herein. In the event of nonconformity, Frontier will replace products or refund purchase price, at its sole option, and Frontier shall not be responsible for any other loss or damage, whether known or foreseeable to Frontier. No other warranties apply, express or implied, including but not limited to warranty of fitness for any purpose or implied warranty of merchantability. Purchaser is solely responsible for all consequences of its use of the product and Frontier assumes no responsibility therefore, including success of purchaser's research and development, or health or safety of any uses of the product.
